

Attention FDA

0374 '00 APR -6 P1:31

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*No, I should not be forced to have an exam,
Yes, FDA should pay for it.*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

I went to Miracle ear. pd \$900 it was no good the sound was terrible back ground noise. (Obnoxious). The Company was sued by the whole group of unhappy customers.

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

No, I want to decide when I need Medical Exam.

4. Should I be allowed to purchase hearing aids by mail as I choose?

*Yes I should be able to purchase hearing a
as I Please.*
